# FACE PROTECTION

## DISPOSABLE FACE SHIELD

This lightweight face shield with an anti-fog coating protects the face and eyes from splashing or spraying of infectious or hazardous substances. The disposable face shields are manufactured from optically clear polyester for maximum visibility, whilst the soft elastic strap and PU foam headband provides additional, long-term comfort and durability.

- Anti-fog protection
- Optically clear visor for maximum visibility
- PU foam headband for long-term comfort
- Soft elasticated strap
- Protects face & eyes from splashing or spraying

1-400	£7.95 each
400-800	£5.95 each
8,000+	£4.85 each

## FACE MASK

Provide users with an excellent protective barrier. Masks are made with 3-ply construction. Providing bacterial filtration properties. Easily slide over the ear with a soft elastic rubber string which holds the mask securely to the wearer.

1-2,000	£2.25 each
2,000+	POA
